ABOUT

Powering everyday audio for millions.

JustJamz is the wholesale audio brand of **Seattle Cell Market** — a US-based supplier of wired earbuds and phone accessories serving retail chains, school districts, libraries, training centers, and reseller programs since 2010.

What we make

USB-C and 3.5mm wired earbuds, plus magnetic ties and silicone cable organization. SKUs are designed for high-volume programs with consistent specs across every production run.

Who we serve

Retail buyers, school districts, libraries, contact centers, government procurement, and resellers. Pack sizes scale from 2-unit evaluator kits to 100-unit district deployments.

Why JustJamz

Manufacturing capacity for 1M+ unit programs. Consistent specs across every production run, so you can rebuy your top SKUs with confidence.

How to buy

Each product page links directly to the SKU's Amazon listing. For volume programs, sample requests, and direct procurement, contact our sales team.
